

into the record, I am going to move that we take a recess of one hour to give us time to gather our thoughts together to review them at least individually. I think it is the only proper thing to do for each and everyone of us. So I am going to move that we recess, just recess for one hour.

PRESIDENT: That is not debatable but Senator Savage did have an announcement that he wanted to make.

SENATOR SAVAGE: Mr. President and members of the Legislature, I would like to have a short meeting of the Committee on....

PRESIDENT: Excuse me.

SENATOR SAVAGE: I would like to have a short meeting of the Committee on Committees immediately on our recess over in the North side of the Legislature to consider a couple of requests that we have for changes of committee assignments. This is a real important item because it will concern the interim study committees and there have been some requests for a change in assignments on members of various committees. So if you will meet with me immediately after we have recess, I will appreciate it.

PRESIDENT: The question is, shall we be in recess for one hour. All in favor say aye, contrary say nay. We are in recess for one hour.

RECESS

PRESIDENT: Please record your presence. Have you all recorded your presence. The Legislature is now in session.

CLERK: Quorum present, Mr. President.

PRESIDENT: We now go to #5, special order. Veto overrides. What do you have on your desk, Mr. Clerk? Then we will start with LB 539 on the override. Then let's go to 550. Then we will go to 38.

CLERK: Mr. President, I move that LB 38 become law notwithstanding the objections of the Governor. Signed Senator Barnett. The motion was made May 25th and laid over.

PRESIDENT: The Chair recognizes Senator Barnett.

SENATOR BARNETT: Mr. President and members of the Legislature, this morning I rise to ask the Senators in this body to override one of the biggest, most complicated, most discussed, most worked on piece of legislation that has ever hit this body. After six or seven years of work on what is known as the Criminal Code, this body undertook one of the hardest, most publicized methods of writing Nebraska's criminal statutes. The work that went into this piece of legislation will amount to thousands and thousands of dollars, not to speak of the thousands and thousands of man-hours that was spent on this piece of legislation. It involved the judges from across the State of
